**Douglas County High School 8705 Campbellton Street Douglasville, GA 30134 (770)651-6500**

Dear Prospective Client:

As a result of high school athletic teams not receiving any state or local funds to defer the tremendous cost of operating our program, the coaches, player, and boosters must turn to our friends, community, and alumni to assist us.

The DCHS Football Booster Club seeks corporate sponsors for our club to support our mission for our school. We would be honored to have your involvement and business support for our football program. Corporate sponsorship benefits our athletes as well as the community who come out to support our football program.

Your company will be exposed to hundreds of people in one night with our advertising plan, and through ongoing placement on our web site. We anticipate large supportive crowds this fall. Fans in attendance will hear your company ad announced and will give your company exposure to hundreds of potential customers. Your business would do well to take advantage of this benefit.

The DCHS Tigers Football Booster Club prides itself on its accomplishments for our school, but even more importantly, for all our youth. It is with the support of parents, fans, and the community that our young people are encouraged to reach their highest potential. The purpose of our advertising and sponsorship plan is to include the business community as partners in helping our athletes reach their goals. We look forward to having you become an integral part of bettering our youth, supporting their dreams, and watching those dreams become a reality.

We believe the businesses in our community are vital to the success of our Booster organization, which is why we will continue to promote and support our local businesses.

The following levels of donations have been established to encourage greater community participation. No matter what level of support you choose, the Booster Club, along with all DCHS football players and coaches, want to express our sincere appreciation for your support and commitment to the success of the football program at Douglas County High School. Any donation you can make will be greatly appreciated.

Thank you,
