### **Business & Corporate Sponsorship**

The Douglas County Tigers Football Booster Club seeks corporate sponsors for our club to support our mission for our school. We would be honored to have your involvement and business support for our athletic sports programs. Corporate sponsorship benefits our athletes as well as the community who come out to support our athletic programs.

Tigers Football Stadium seats over 2000 people and will be filled every Friday night. In the past we have drawn over 4000 people per game. Our Gym is filled in the winter and your ad will be featured on our revolving scoreboard. Your company will be exposed to thousands of people in one night with our advertising plan, and through ongoing placement on our Web Site and associated links. All our sports enjoy great visibility and we anticipate large supportive crowds for fall, winter and spring sports. Fans in attendance will hear your company ad announced, and our media guide will give your company media exposure to thousands of potential customers. Your business would do well to take advantage of this benefit.

The Douglas County Tigers Football Booster Club prides itself on its accomplishments for our school, but even more importantly, for our all youth. It is with the support of parents, fans, and the community that our young people are encouraged to reach their highest potential. The purpose of our advertising and sponsorship plan is to include the business community as partners in helping our athletes reach their goals. We look forward to having you become an integral part of bettering our youth, supporting their dreams, and watching those dreams become a reality.

We believe the businesses in our community are vital to the success of our Booster organization, which is why we will continue to promote and support our local businesses.

The following levels of donations have been established to encourage greater community participation. No matter what level of support you choose, the Booster Club, along with all HHS student athletes and coaches, want to express our sincere appreciation for your support and commitment to the success of all the athletic and academic programs at Huntingtown High School.
